## Maximize Connectivity For Productivity And Convenience

Offering one-cable convenience, dynadock® makes it easy to tap into the full-size gears that can super-size your productivity and entertainment.

Achieve less clutter and more productivity with all computer peripherals linked to your Notebook PC, by using one USB3.0 cable-backward compatible with USB2.0. Easily turn your Notebook PC into a workstation that can access large screen displays, stereo speakers, external hard drives, optical drives, printers, a full-size keyboard, mouse and more as you work. And when you're ready to go, you can disconnect in seconds!
