

Toshiba W80 Optical Wireless Mouse

With Blue LED¹ Technology

The Toshiba W80 Optical Wireless Mouse with Blue LED technology is a full-sized mouse that is contoured to fit most hands, making it great for extended usage.

- Adjust mouse sensitivity easily – simply press the left mouse button and scroll wheel simultaneously to toggle between 800, 1,200 and 1,600dpi
- Blue LED technology¹ ensures that your mouse will work on many more surfaces compared to a regular red LED optical mouse
- Navigate documents with ease using the conveniently placed backward and forward keys
- Nano-sized receiver
- Matte finish for a stylish look
- Available in two colours²: Matte Red, Matte Black
