Dynabook's native BIOS

180° hinge design

MIL-STD-810G strong

 Windows 11

Powered by the latest 11th Gen Intel® Core™ Processor

## Work in Comfort Through The Day

The Portégé X40-J delivers premium acoustics with its stereo speakers with Dolby Atmos Sound Enhancement for quality video presentations and online meetings. With a unique glass-feel Precision TouchPad and a backlit frameless keyboard, professionals are treated to an all-rounded ergonomic user experience to power productivity and efficiency through comfort and convenience.

## Ready As You Are

Boasting an impressive battery life of up to 13.8 hours\* and a quick charge feature of 40% battery life with a 30-min charge, the Portégé X40-J keeps your mind focused with work, without the need to worry for a plug socket while working on-the-go. The instant wake capability with sub-1s wake time means your trusted companion is always on and ready to work whenever you are, especially when inspiration strikes.

## Travel Light with Comprehensive Connectivity

As working on-the-go is becoming more common these days, the need to travel light is important. The Portégé X40-J adapts easily to any working environment with its impressive range of ports from HDMI, USB 3.1 Type-A, 3.5mm audio jack, micro SD card slot to Thunderbolt™ 4 enabled USB-C, reducing the need for additional hubs. Equipped with the latest Intel® 802.11ax (WiFi 6) and BT 5.1 module, professionals can attain wireless connectivity from anywhere, wherever their business takes them.

## Vault-like Security

As one of Dynabook's growing portfolio of models that meet Microsoft's strict Secured-core device requirements, the Portégé X40-J is built to protect against current and future cyber threats. Its robust combination of Dynabook's proprietary BIOS plus hardware, software and identity protection means the business laptop comes with enterprise-grade encryption, effortless face and finger authentication and webcam shutter for added privacy. With a security lock slot and configurable full HD privacy screen, your business-sensitive data and personal privacy is well-protected.

## Powered to Perform at Every Level

Built with the latest 11<sup>th</sup> Gen 10nm quad-core full power (28W) Intel® Core™ i3, i5 or i7 processors, 32GB DDR4 3200MHz dual-channel memory and ultra-fast PCIe SSD storage of up to 1TB, the Portégé X40-J is expertly engineered to achieve productivity and efficiency for every work day. Its new Intel® Iris® Xe graphics deliver stunning visual performances for a viewing experience like no other.

With an all-new separated airflow cooling system, the Portégé X40-J will run at optimal temperatures to prevent overheating. The new rubber footing is also added to provide further cooling, stability and comfort for professionals.

## Designed For The Modern Professional

When it comes to modern professionals, size and weight matters. With a slim built of 17.9mm thin and weighing just 1.4kg, the Portégé X40-J is the ultra-portable business laptop for mobile working. The Portégé X40-J is designed with a lightweight aluminium alloy chassis for the perfect balance between rigidity and flexibility to attain a MIL-STD-810G standard for dependable durability, giving professionals a peace of mind when working out of the office.

Crafting an entirely new design with refreshed colours, the new premium laptop has a 3-sided narrow bezel to maximise the screen area and minimise footprint for a better overall screen experience.

Full Connectivity  
to enable you to work from anywhere

# Specifications

<b>PROCESSOR</b>	Intel® Core™ i5-1135G7 Quad Core Processor (2.4GHz up to 4.2GHz, 8M Cache) Intel® Core™ i7-1165G7 Quad Core Processor (2.8GHz up to 4.7GHz, 12M Cache) Intel® Core™ i5-1145G7 Quad Core vPRO Processor (2.6GHz, up to 4.4GHz, 8M Cache) Intel® Core™ i7-1185G7 Quad Core vPRO Processor (3.0GHz, up to 4.8GHz, 12M Cache)
<b>OPERATING SYSTEM</b>	Windows 11 Pro Windows 10 Pro (Windows 11 Pro with Downgrade Facilitation <sup>^</sup> )
<b>SYSTEM MEMORY</b>	Choice of 4GB/8GB/16GB modules up to a maximum of 32GB DDR4 (3,200 MHz)
<b>STORAGE*</b>	Choice of 256GB, 512GB, 1TB M.2 PCIe NVMe Solid State Drive
<b>DISPLAY</b>	14.0" Full HD (250 NIT) Anti-Glare TFT display, resolution 1,920 x 1,080 14.0" Full HD (300 NIT) Anti-Glare TFT display with In-Cell Touch Technology, resolution 1,920 x 1,080 14.0" Full HD (400 NIT) Anti-Glare display with Switchable privacy filter, resolution 1,920 x 1,080
