PORTÉGÉ X40L-K

Incredible Performance. Unbelievably Lightweight.

The Portege X40L-K from Dynabook takes premium, high-performance computing to new extremes. To call this stylish, featherlight, Intel® Evo™ platform laptop powerful is an understatement. Powered by new hybrid-architecture 13th Gen Intel® Core™ processors, up to 32GB of LPDDR5 memory and Wi-Fi 6, this laptop delivers unprecedented performance and battery life. The 14-inch Eyesafe® 16:10 IPS display, four-speaker Dolby Atmos® audio system, and HD webcam with 360-degree microphones foster unplugged collaboration and productivity.

IR webcam with AI-Enhanced Camera Features for boosted collaborative sessions

Integrated dual-array microphones with AI Noise Reduction helps improve overall call quality

dynabook's own BIOS, TPM 2.0 & fingerprint reader for boosted security

Tested to MIL-STD-810H for superior durability

All-new, recessed keyboard design with full-sized, raised tile keys and LED backlighting for optimised typing experience

Comprehensive suite of ports with HDMI 2.0, built-in RJ45, USB-C to Type C ports with Thunderbolt™ 4

Integrated four speaker systems enhanced with DTS Atmos sound technology for an ultra-rich sound experience

An Evo Design

Intel® Evo™ vPro® platform

Product Highlights

The Lightest 14-Inch Laptop We've Ever Created

Featuring an all-new, elegant Tech Blue magnesium alloy chassis engineered to meet stringent MIL-STD-810H standards for durability. Starting at 1.05kg and measuring in at 15.9mm thin, the Portégé X40L-K easily goes anywhere without weighing you down. Housing a large, 14-inch ultra-thin bezel display, premium raised-tile backlit keyboard and large ClickPad, the Portégé X40L-K takes exceptional to new extremes.

Uncompromising Performance and Next Level Efficiency

With full-performance 13th Gen Intel® Core™ processor options, the Portégé X40L-K benefits from the massive performance boost and enhanced efficiency afforded by Intel's all-new hybrid architecture. Configurable to up to 32GB of LPDDR5 and reinforced with an up to 1TB ultra-fast PCIe Gen4 SSD storage, Wi-Fi 6 and Thunderbolt™ 4, the Portégé X40L-K delivers uncompromising performance.

A More Comfortable Viewing Experience

For those who put in long hours in front of a screen, the 14-inch Portégé X40L-K features an all-new Eyesafe® 16:10 IPS 1920x1200 display. Developed in conjunction with doctors, Eyesafe technology selectively filters out high energy visible (HEV) blue light while maintaining crisp and vivid color performance to reduce the impact on the eyes.

Connect at a New Level

Beyond its ultrafast Thunderbolt™ 4 ports, the Portégé X40L-K features a mix of full-size ports, including HDMI® and USB-A (with Sleep & Charge) for seamless, adapter-free wired connectivity. To maximize the benefits of Thunderbolt 4, Dynamabook offers docking solutions that seamlessly connect multiple external displays, as well as a variety of other USB and USB-C® accessories with a single cable connection.

NEW AI Enhancement

AI-Enhanced Camera Features

Fostering a collaborative workspace, Dynabook Online Meeting Assist utilizes AI to ensure faces are bright and visible in a wide spectrum of lighting conditions, blur backgrounds and automatically keep the users face centered in frame. Since these enhancements are built into our software, users can easily turn on and off these features with a quick hotkey with any video conference software.

NEW AI Enhancement

AI Noise Reduction

The 360-degree dual-array microphones allow voices to be picked up omnidirectionally with equal gain from all directions giving the user the ability to roam freely around a room or to serve as the hub for multi-person conference calls. Improving overall call quality, the AI Noise Reduction isolates and filters out background noises at near and far ends of calls to ensure participants can be heard clearly and effortlessly.

Security Taken Seriously

The Portégé X40L-K is among the most secure Windows PCs in the world. Featuring a secure mix of hardware, firmware, software, and identity protection technologies, it is suitable for mission critical users in even the most data-sensitive industries. Dynabook writes its own BIOS, providing an incredibly secure foundation. Further bolstering security, this laptop features face and fingerprint biometric recognition options and an integrated webcam privacy shutter.

Stay in touch and on track

The Portégé X40L-K features new AI tools to increase productivity and collaboration within the workplace – irrespective of the user’s location. Cortana-enabled dual mics offer a new AI noise reduction function, along with an HD with FA (face authentication) camera with its own AI enhanced functionality. Doubling down on sound, the new Portégé X40L-K features a premium, four-speaker Dolby Atmos® audio system tuned to deliver a premium listening experience with an elevated soundstage for movies, music and games.

Robust Battery Life

The Portégé X40L-K features a large 65 Wh battery that provides enough power to last well beyond the typical workday. When not in use, Sleep & Charge technology keeps a USB port powered, allowing the laptop to charge a smartphone and other accessories.

¹ **Weight.** Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected.

² **Battery Life Rating.** Dynabook battery life ratings are measured with Mobile Mark™ 2018.
