## FEATURES

---

### True Business Mobile Laptop

Weighing in at just 1.2kg, the Portégé Z30-E offers the latest Intel® Core™ processor and with up to 18 hours battery life, giving the laptop all the power needed to multitask on the move or in the office. The Portégé Z30-E handles business applications without compromise and with a high-performance SSD inside, means users can expect sharp speeds and fast responses all day long.

### Convenient Connectivity

Be more flexible on the move, leave your adapters behind. The 13.3" Portégé Z30-E is also built with complete connectivity from a range of full size ports. Three USB 3.0 ports and a HDMI port allow for work to be shared quickly or presentations projected in high-resolution brilliance. Gigabit LAN allows fast access to local networks meaning users can work wirelessly if required.

### Proven Durability with Toshiba EasyGuard™ Technology

With a magnesium chassis crafted to last, and an internal Honeycomb structure to enforce its sturdiness, the Portégé Z30 comes equipped with the Toshiba EasyGuard™ Technology for an added peace of mind when it comes to bumps and drops or liquid spills while on the go.

### Intelligent Security for Simple Management

A Trusted Platform Module (TPM) keeps critical data safe and sound on the local storage of the Portégé Z30-E. The optional Smartcard and SecurePad™
