

The NEW
TECRA A50 Series

PERFORMANCE, SECURITY
AND DURABILITY YOUR
BUSINESS CAN TRUST

Equip your business with the powerful, secure features of Tecra A50, built for the most demanding of tasks. Sync, share and collaborate with the comprehensive connectivity and unmatched security you've come to expect from the Tecra series, all at an affordable value.

FEATURES

Unprecedented performance for your business

Cruise through work tasks with the latest Intel® 7th generation processors, while a 15.6 inch display delivers incredible detail and clarity. Plus, the Tecra A50's extended battery life of close to 8 hours empowers your workforce to mobile productivity.

Enhanced productivity & connectivity

This Windows 10 ready workhorse delivers true connectivity with full docking capabilities and a generous range of essential ports that include full-sized HDMI and VGA ports, Gigabit Ethernet & an SD card reader. Expect cable-free connectivity with High Speed Port Replicator.

Peace of mind with proven durability & security

The enterprise-class Tecra A50 is well equipped for a road warrior. From its durable chassis, spill resistant keyboard, to Toshiba's proprietary EasyGuard™ Technology^o, every feature is set to protect your critical business data from life's knocks. Guard against illegal access with the built-in BIOS system that monitors both hardware and software for system-level security.

^o Toshiba EasyGuard™ Technology includes up to 24 features. Refer to website for more information

^{*} Battery life rating based on Windows 10 Pro (measured by MobileMark™ Office Productivity 2014)

⁺ Optional
