

The NEW
TECRA C50 Series

**PERFORMANCE NOTEBOOK
WITH LONG BATTERY LIFE**

Enjoy the freedom to work wherever work takes you, thanks to the enduring battery life and lightweight durability of the Tecra C50. Its dedicated business features, comprehensive connectivity, security and generous display are designed to match, and exceed your organisation's needs.

FEATURES

Powerful Performance

Get maximum performance for even most intensive tasks with 7th generation Intel® Core™ processor and Intel® HD graphics 620 for a smooth graphical performance. Enjoy up to 32GB DDR4 of memory for improved multitasking and for running the latest full performance software. With a removable standard 4-cell battery, you can enjoy the freedom to work remotely wherever your business takes you.

Enhance Productivity

Work and create efficiently, thanks to a full-size with dedicated numeric 10-key numeric pad and non-reflective HD screen. The spacious 15.6 diagonal HD display makes it perfect for multitasking, viewing media and working with wide spreadsheet. The Tecra C50 comes with extensive connectivity options that offers access to projectors, TVs, storage devices and more.

Proven Durability and Security

You know your notebook PC is built to last with comprehensive HALT testing. Protect your critical data with Tecra durability and Toshiba EasyGuard™ features[□] that include Trusted Platform Module[†] (TPM) and shock-absorbing design for increased durability and rigidity.

[□] Toshiba EasyGuard™ Technology includes up to 24 features. Refer to website for more information.

[†] Battery life rating based on Windows 10 Pro (measured by MobileMark™ Office Productivity 2014).
