

Business Essential

TECRA L30-K

Mobility and style made for hybrid working

The world of work has changed and this smaller, thinner lighter laptop with its 180-degree opening, ultra-narrow bezels, AI noise reduction, non-reflective screen and plentiful USB ports meets all the demands of the new hybrid era. Sporting a stylish silver lightweight aluminium design that would look at home in any boardroom, the TECRA L30-K enables you to take working on the move in your stride. Above all, it keeps you secure, connected and productive wherever you happen to be working or studying.

Product Highlights

Engineered For Business Mobility

Make light work of a hard day's endeavour without breaking the IT budget. Compatible with Windows 10 or 11, the TECRA L30-K is packed with the features and connectivity capabilities that delivers amazing performance with the latest 12th Gen Intel® Core™ processors, DDR4 3200MHz memory up to 32GB and PCIe SSD storage up to 1TB.

Cutting-edge design

Sleek, stylish, and contemporary, the TECRA L30-K is a joy to work with its narrow bezel and an anti-glare screen. The eye-catching silver aluminium shell comes with anti-bacterial coating to provide maximum protection by up to 99.9 percent. Light but sturdy, the footprint is a mere 16mm thin and 20cm deep.

Made for hybrid working

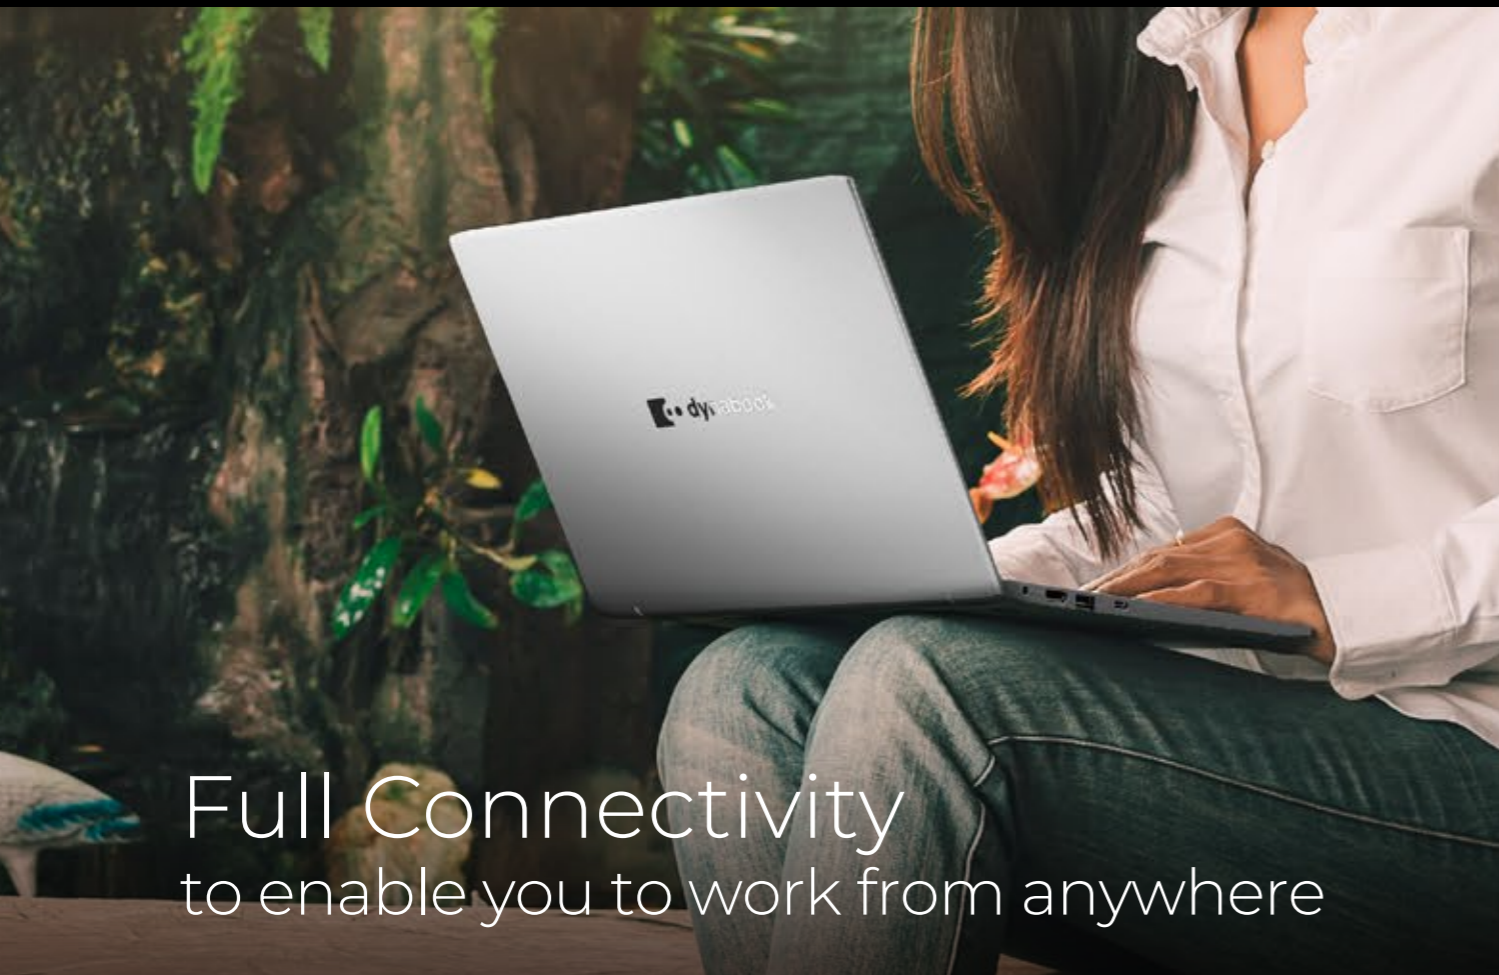

Enjoy a seamless remote experience with premium audio-visual tools and conferencing buttons on the ergonomic keyboard, to easily engage with work or study colleagues. Powered by latest AI technology, all audio-visual integration provides crystal clear conferencing regardless of the surroundings or the clarity of the audio stream of others on the call.

Outstanding port selection

With an extensive range of ports and connectivity options, there's no stopping you. A multifunctional USB 3.2 Type-C port allows charge, display, connectivity, and data transfer, along with a further two USB 3.2 Type-A ports. An HDMI port, an RJ45 connector, a Micro SD card slot and a Headphone/Mic combo further boost connectivity and productivity from anywhere.

Feel secure wherever you work

The super-secure TECRA L30-K features firmware-based Trusted Platform Module (fTPM) 2.0 so information is encrypted on the device. To enhance protection for security, the TECRA L30-K provides robust face and fingerprint biometric authentication options and an integrated webcam privacy shutter.

Full Connectivity
to enable you to work from anywhere

Specifications

| | |
|-------------------------------------|--|
| PROCESSOR | Intel® Core™ i3-1215U Processor (1.2GHz, upto 4.4GHz, 6 Cores (2P+4E), 10MB Cache) Intel® Core™ i5-1235U Processor (1.3GHz, upto 4.4GHz, 10 Cores (2P+8E), 12MB Cache) Intel® Core™ i7-1255U Processor (1.7GHz, upto 4.7GHz, 10 Cores (2P+8E), 12MB Cache) |
| OPERATING SYSTEM | Windows 11 Pro Windows 10 Pro (with downgrade facilitation rights [^]) |
| GRAPHICS | Up to Intel® Iris® Xe Graphics |
| SYSTEM MEMORY | Choice of 8GB / 16GB DDR4 (3,200 MHz) up to a maximum of 32GB (two fully configurable slots) |
| DISPLAY | 13.3" Full HD Anti-Glare (250NIT) IPS display, resolution 1,920 x 1,080 |
| HARD DISK* | Choice of 256GB, 512GB, Gen 3 PCIe NVMe Solid State Drive Choice of 512GB, 1TB Gen 4 PCIe NVMe Solid State Drive |
| INPUT DEVICES | ClickPad with antibacterial coating |
