dynabook

Superlight laptop. Heavyweight performance.

Portégé X30L-K
(PCR30E-0P901KH2)

Lighter than light, stronger than strong. The dynabook Portégé X30L is a 13.3" ultralightweight business laptop specifically crafted to bring the latest technology to on-the-go workers.

Starting from 904g the Portégé X30L is equipped to support exceptional performance, security and design, handling anything a day out of the office can bring. The high brightness Sharp IGZO FHD screen with 470 NIT, full-power 28W 12th generation Intel® Core™ processors with Intel® Iris® Xe Graphics, new Separated Airflow cooling technology and up to 11 hours of battery life, all keep you going, and going, when working on the move. Twin USB Type-C ports with Thunderbolt 4 and HDMI 2.0 are included in a full range of ports. All-new AI audio and camera features* equip workers with the ideal tools for remote collaboration.

And because it's been tested to rigorous MIL-STD 810H quality standards and meets the stringent Microsoft Secured Core requirements, you can be confident you're fully protected – wherever your day takes you.

904g Incredibly light Starting at 904g	**12" GEN** Supports Full-power 28W Intel® Core™ processors	**Xe** Intel® Iris® Xe Graphics	Next-generation AI* Audio and camera support	**MIL STD** MIL-STD-810H

*requires a minimum of Intel® Core™ i3 processor and HD camera with Face Authentication function.
