

Toshiba Canvio® Connect II Portable Hard Drive
Full System Backup • Connect Remotely

The Canvio® Connect II is suitable for users who want to backup and restore their Windows laptop in event of PC crash.

Canvio® Connect II has the ability to clone a PC, and users can choose to recover a file, folder or restore a laptop from PC crash with NTI® Backup Now EZ™. The application also comes with customisable options like, automatic backup scheduling, selection of file/folder for backup, and setting a password to secure backups.
