

> STEEL – STYLISH & SAFE

TRANSMEMORY™ - PREMIUM METAL BODY

The new TransMemory™ mini USB comes in a premium metal design. The stylish drive is shock and dust resistant. The strap hole allows you to easily connect it to your key chain, so wherever you go you can always carry your favorite media collection with you.

The mini USB Flash Drive is ultra-small and is ideal for PC or tablet use. The series is available in capacities up to 32GB.

This rugged, portable Flash Drive makes your digital life more comfortable!
